

ABDELRAHMAN MAHER

Front-End Web Developer

+20 01067423926 abdelrahmanmaher858@gmail.com https://www.linkedin.com/in/abdelrahmanmaher/ Cairo

SUMMARY

I am a front-end web developer transitioning from a civil engineering background. I excel in managing projects independently and collaborating effectively within teams. My experience as a civil engineer taught me how to work under pressure and handle tight schedules, which enhances my ability to deliver quality web solutions. I am proficient in various web development technologies and eager to apply my skills in this field
